Goa to Kerala Tour A LAID-BACK TOUR

Available!

- 23. February -10. March 2020

We've been organizing motorcycle tours in South India for 30 years. Based on our long experience, we've developed a completely new tour for discerning riders that comprises the best that South India has to offer. India is colorful, enchanting and mysterious, but also jarring and exhausting – a country full of dynamism that's on its way up! All famous Hill Stations, the most beautiful cities of South India Mysore and Cochin, great tracks and countryside roads through plantations, national parks, and the Deccan Highlands are among the highlights. And a very special selection of hotels and resorts make it our best South India tour ever!

We come again in 2020 "Club of Newchurch" Motorcycle Festival Feels like coming home!

Austria. Neukirchen am Grossvenediger. An entire town completely closed off to cars, surrounded by thousands of alpine roads. By riders, for riders (and their families). Motorcycles only. For 14 years, one of the biggest and most exciting motorcycle festivals in Europe. Over 15,000 visitors in 2019. All of them friends, all of them our adopted family. Live Music by **JIMMY CORNETT** and **EXTRABREIT** and an exiting biker program that leaves no wish unfulfilled.

Classic Bike Adventure will join the event with an info booth and the team. Join us too, be part of our family and meet us **from 23rd till 28th June 2020**.

We will organize a theme night with great ride videos, the best biker photos and travel stories from our past Bhutan Bullet Tours in the Land of the Thunder Dragon. Our Road Captains Peter, Julian, Martin, Willy, Hendrik and Vinod will be there and perhaps even Swiss Peter from Bhutan and Shankar, the Indian from Vienna.

Sauerland Party

We do it again! The next date for the 9th Classic Bike Adventure Party in the Sauerland in Germany was decided. Together we will enjoy unplugged live music at the campfire, ice cold Veltins beer and tasty party food including Indian specialities and curries. Tour reports, personal meetings with our Road Captains, getting to know like minded bikers and old friends from previous tours and rides into the Sauerland hills complement the event. There is a lot to discover, and taking part is everything!

THE DATE:

The weekend 4th till 6th June 2021. Reserve this date and look forward to the party!
