Riding in the Land of Smiles

Endless Curves at the Golden Triangle in Northern Thailand

Northern Thailand promises pure fascination with its graceful tropical landscapes, roaring waterfalls and extensive rivers. Every biker dreams to experience the unique mountain and valley roads once in his life! The famous „Road 1148“ in Nan, with its hundreds of rapidly following curves, is one of the best motorcycle roads in Thailand and is just as much a part of our program as the famous „Mae Hong Son Loop“. Experience the cultural and temple metropolis of Chiang Mai in the mountains. Our trip starts and ends at the country triangle of Thailand, Myanmar and Laos. There are still many myths surrounding this Golden Triangle.

Biking in the Land of Smiles

NORTHERN THAILAND

Our Northern Thailand motorcycle tour invites explorers to discover tropical Thailand and a fascinating culture off the beaten track in the mountainous north of the country – and on unique mountain roads that are unparalleled in Asia! Discover sleepy little towns, remote villages and get to know adventurous routes. Marvel at jungle-covered hills and mountains, some covered in fog, rice fields and fantastic landscapes with tea and coffee plantations and of course the Mekong, lifeline of Southeast Asia.

Northern Thailand on Honda CB 500 & 650 takes place again after a long „Thailand break“. Discover the Golden Triangle with Road Captain Hendrik and enjoy the endless „curve tango“ on grand mountain roads in the former Lanna kingdom. On this discovery tour, selected hotels with pools, remote mountain people, smallest mountain roads through jungle and highlands and the Thai culture are the highlights. Thailand's highest mountain Doi Inathon (2,565m) and the ancient and half-forgotten temple cities add spectacular views and cultural experiences to the program. Hendrik, who lives alternately in Tibet and Thailand - when he is not leading around the world on one of his Overland tours from Germany to Lhasa - guides the tour and shows you his adopted country in all its facets.

The Pearl of the Indian Ocean

A Laid-Back Motorcycle Tour through Sri Lanka

The tropical flora and fauna, the Buddhist surroundings and the friendly people paired with beautiful winding roads and endless sandy beaches provide an incredible backdrop for motorcycle explorations. The delicious local cuisine makes the pleasure even more intense. In Kandy and Ella we experience the beautiful highlands on motorcycle friendly routes through hills and tea landscapes. In Nilaveli and Mirissa we relax on beautiful beaches, one on the east and one on the west coast of the island. A visit to the elephants in the Uda Walawe National Park can of course not be missed. We start our Sri Lanka motorcycle tour in the pleasant port city of Negombo, which is about 15 minutes from the airport.

This fantastic **Sri Lanka motorcycle tour** combines motorcycle adventure with culture and a tropical beach vacation and offers diverse insights into the picturesque island paradise.

The Pearl of the Indian Ocean

SRI LANKA

"Pearl of the Indian Ocean", "Serendip – the Enchanting" "Ceylon- the Island of Spices" are all fitting names for this paradise island in the Indian Ocean that captivates all guests with its incredible tropical natural backdrop. Sri Lanka – "The Venerable Beauty" has been the official and apt name since 1972. This wonderfully guided Sri Lanka motorcycle tour combines motorcycle adventure with culture and a tropical beach vacation and offers diverse insights into the picturesque island paradise.

In February 2021, we are reviving our Sri Lanka Tour with a completely new approach on Royal Enfields 350 Bullets, which will take place for the first time in 7 years. Experienced Road Captain Shankar will lead the way. Shankar lives partly on the beautiful tropical island and is married there. The studied indologist and passionate motorcyclist is very knowledgeable and shows you the most beautiful beaches to relax and the excellent local cuisine on this laid-back trip. The curvy routes enhance the sound of the Enfield bikes through the highlands of the island.

Welcome to Peter's Cyprus Bike Adventure

We have two tours lined up:

 07 Nov. – 14 Nov. 2020 – **6 bikes still available**
 14 Nov. – 21 Nov. 2020 – **fully booked**

Organized and guided by RC Peter with support from his Dutch friend Hans.

Get ready for a full round of the sun-drenched isle of Cyprus, with its untouched nature and ancient culture! This tour is a good fit for all bikers who like leaving the asphalt behind and have some experience. Our starting point will be the unspoilt Chrysochou Bay near Polis. We're going to use it as a base for three one-day rides and a three-day tour through the forested mountains of Troodos and to Nicosia. Winding its way up and down through the mountains, the track will then take us back to Polis. And to wrap things up, we've got a day of off-road riding at its finest on the Akamas peninsula.

We scheduled this seven-day enduro tour for autumn, the best time of year in Cyprus. We'll go for long stretches with hardly any traffic, weaving our way up lonely tracks through the mountains, along fire trails, and across rock-strewn slopes that'll put a grin on the faces of even hardened off-roaders. The tour is of medium difficulty, and the ride becomes more challenging as we go along. We recommend this trip to bikers who already have some enduro experience, as we're going to spend a lot of time on unpaved routes on our 250cc Honda enduros

We're not going to neglect the cultural sides of the island, either – we'll delve into the history of Cyprus, get to know its present-day village life, and explore the urban flair of the divided capital, Nicosia. I'm putting the route together with my old biker friend Hans: a Dutchman who's been living in Cyprus for more than 30 years, Hans knows every track and mountain trail like the back of his hand. We'll also spend two nights in the cozy hotel of a friend of mine in the picturesque mountain village of Spilia.

I'm really looking forward to our tour together!!
